

This form covers organisations operating out of a single office employing up to 20 people. Organisations that have multiple installation offices or more than 20 employees should contact us directly for a personal quotation.

**Please complete all sections of this form as failure to do so can delay the application process.**

*The service Easy MCS Ltd provide may not include the MCS certification body charges or membership fees for REAL. Please ask for further details.*

*Use of the services provided by Easy MCS Ltd do not guarantee accreditation by any certification body, as it is the responsibility of the installation company to demonstrate that the management system is correctly implemented, understood and maintained.*

## Bespoke Quality Management System to conform with MCS Standards

In order to complete your MCS accreditation you must be able to show you have a Quality Management System in place. Easy MCS will put this QMS together for you, and mentor you through to assessment.

Within your Quality Management System you will receive all the necessary documents, forms, procedures and the latest installation standards to ensure your office assessment goes without a hitch.

**Which Technologies are you applying for**

*Please tick relevant box*

Heat Pumps (Ground & Air)

Solar Thermal
